Dear Rod,

I would like to personally thank you for helping make my awards dinner a huge success. Your magic is absolutely amazing and everyone in the room thoroughly enjoyed the entertainment you provided.

Besides your amazing magic, your professionalism is second to none. The follow-up, confirmation, setup, etc. that you demonstrated was first class and I would recommend you to anyone looking for a fun-filled event! As a matter of fact, I have recommended you to many associates and friends already – Dominique being one of them who you recently performed for.

I look forward to having you perform again at another event in the future. If I can ever be of help as a referral, please feel free to pass along my telephone number.

With Warmest Regards,

RICK HOWLAND
