Dear Roderick Reyes

On behalf of the Los Angeles County Department of Children and Family Services, Adoptions Division, we would like to thank you for your participation at the Spring Spectacular 2005. This adoption event was a great success, we anticipate having several adoptive placements generated as a result of this event.

Thank you for your support and hard work, you helped to provide the children with a beautiful day in the park. Your support and services helped to create a fun and enjoyable forum for the children and prospective adoptive parents to come together.

Thank you once again for being a part of our adoption fair.

Sincerely,

Adriana Lozano
