Mr. Reyes,

I wanted to take a minute to say thank you for the wonderful magic you performed at Sodexo's district managers meeting. I didn't know magic performed in close proximity could be so enjoyable. After you left many people were discussing your performance and were very complimentary. One of our executives, who is a fan of magic, said he was very impressed by your performance. Everyone found the vanishing bottle trick to be particularly hilarious. Rest assured we are planning on using your services for future events, and would definitely recommend you and your magic to anyone.

Thank You Again,

Nita Kansara
