To Whom It May Concern:

I am the Marketing Manager for UCA General Insurance Services. While planning our 25<sup>th</sup> Anniversary Party, I ran across Magic Man Roderick Reyes. After speaking with and emailing several magicians, I hired Rod. This decision was based on his professionalism, and follow through during this scouting period.

I spoke with Rod several times prior to our event. He assured me his talents and personality would keep our 300+ guests happy and bewildered. His promises did not falter. Rod was the absolute hit of our party. Not only was his magic unbelievable, but his smile and happy personality was infectious. While “working the party” I always knew where Rod was. You would look for the crowd or listen for the laughter and disbelief of our guests. We had Rod working the crowd as a roving magician. His slight of hand magic with cards, money, rubber bands etc, could not have been more magical. He got me good once and I still don’t know how he did it. You won’t be sorry by hiring this Magician!

Rod Thank You for making our 25<sup>th</sup> Anniversary so memorable. I would recommend you for any party or business function.

Sincerely,

Barry Colburn  
Marketing Manager
